Care Coordination for Seniors
NORTHLAND

**Helping you to live in your home
healthier, safer & more
independently**

Program Benefits

- ◆ *Better Communication*
Assistance with helping you communicate with your doctors, better understand your health care needs, and if you desire, keep your family informed
- ◆ *More Options*
Coordination of care and referrals for available in-home assistance programs such as delivered meals, home care or therapy
- ◆ *Better Healthcare Service*
Education on your health issues or important healthcare documents
- ◆ *Better Health*
Answering your questions about medications and keeping the list current

Eligibility Requirements

- ◆ 55 years or older and enrolled in Medicare or Medicaid
- ◆ Want help or guidance with managing your health care in an effort to promote your independence and improve your quality of life

Frequently Asked Questions

- Can the coordinator help me understand my medications?
–YES
- Does the coordinator visit me in my home?
–YES
- Will the coordinator help me get home safety devices?
–YES

The Many Ways You'll Gain Peace of Mind

Team Approach

The program uses a team approach to manage your care. The team may include nurses, therapists, social workers and other health care professionals.

No Cost

There is no cost to participate in the program. Funding for this program is provided by the Centers for Medicare and Medicaid Services and is managed by Northland Healthcare Alliance and supporting communities.

Additional recommended services or referrals may be on a fee-for-service basis, and will be explained by your Care Coordinator as needed.

The project described was supported by Grant Number 1C1CM331042 from the Department of Health and Human Services, Center for Medicare and Medicaid Services.
